On behalf of the entire staff at West Campus, I would like to congratulate all the students who have contributed to making the year 78-79 a pleasent and successful experience.

I was particularly impressed with the great number of students who qualified for the academic honor roll this year.

My best wishes to the ninth graders, who were the first group of students to attend three full years at West Campus. I wish them continued success at Berkeley High School.

I am also looking forward to seeing the seventh and eighth graders next year.

Kenneth W. Roberts, Principal
West Campus

PRINCIPAL ROBERTS

In his 24 years in the district, Principal Roberts has worked in many areas, from coach and math teacher to counselor and principal. Mr. Roberts has been at West Campus since 1969 when he was here as vice-principal. During the summer Mr. Roberts travels around the country in his mobile home and reads.

BERKELEY PUBLIC LIBRARY

VICE PRINCIPAL TAYLOR

Although he attended school in Oakland, Vice Principal Taylor is no stranger to Berkeley Schools. He was a Math Teacher at Williard for 5 years and was a counselor for 7 years at Berkeley High. He came here to West Campus 3 years ago for his present job as Vice Principal. For the past 15 years during the summer Mr. Taylor has directed a Summer Camp called Camp Mendocino. He hires young people from the Bay Area to help out. Those attending are warned to watch out; he's known to play a mean game of tennis.

YEARBOOK CONTEST

WEST CAMPUS

78-79

YELLOW JACKETS

A contest was held at the beginning of this year for a yearbook cover. The winner would win a free yearbook. There were many good entries, but it finally came down to these two covers pictured here. Ruthie Whitehead's is on the left, and Shawn Fitzgerald's is on the right. We couldn't decide on a winner, so we couldn't print either one on the cover. We did give both winners a free yearbook.

FOOTBALL

9th Grade

Left to Right: Kevin Anderson, Hardy Gilbert, John Clark, Julius Cooper, Carlton Hail, Kirt Johnson, Kevin Thomas, Doug Barkus, Todd Smith, Alfred Williams. Coaches Norman Thompson, Percy Crawford, and Chico Mendoza.

An interview with Coach Mendoza revealed a disappointment with the 1978 football season. Two main reasons were given for the low record 2 and 7. The first reason given was that the department didn't know that a team would be possible because of prop. 13; consequently the team was started late and didn't have enough time to work out and practice the plays. Coach Mendoza said that the second reason was that after the grading period some of the boys got cut from the team because of low grades on their report cards. The season started well; they won the first and second games. Then the season went down hill. The team was unable to keep the momentum. Coach Mendoza looks forward to a better season next year. Coach Mendoza has been working with the football team for years and also with the baseball team.

A special thanks to Norman Thompson for taking over the team when Mitchell was absent.

MAGIC

JRR tolkien's "the Lord of the Rings"

The 50's fad is making an incredible comeback. Straight-legged jeans have been a fad in the 50's and 60's, but they're a fad today again! The "school-boy" look also hit the fad list with new wire-rimmed glasses, ties, and "cock-roach killers" a fancy shoe of the 50's that also made a comeback. It used to be that kids would walk into class with holey tennis shoes, and socks, but shoes are the big thing in fashion now: Nikes, Bucks, Clogs, Candies, Crocosacks, and Oggs,(Jellies). And ladies pull out those lace socks and stockings with seams. Clothes that represent the traditional clothing of the working class are popular today also. They are green army pants, painter pants, three-piece suits, leisures with ties, and cowboy hats. Not only are these clothes suited for men, but also women. By looking at past years and noticing their trends we can use the same ideas to enhance today's look in clothing styles.

Afro-American Student Union

The A.A.S.U. first formed last year, so many of last years members stayed in the club. The first job of the year was to elect officers that would be in office for a semester, unless they were re-elected. Among the activities planned for the year were a record raffle, pot luck, and a successful pre-christmas dance given for the club members and their invited guests.

This years Asian Student Union, because it started late, did not have very many activities. One activity they did have was a picnic.

CHESS CLUB

This year as always the chess club was sponsored by Mr. Hughes. The winners who tied for first were Robert Ward and Caedmon Bear. They met everyday at lunch in room 103. When I talked to Mr.Hughes he said that next year they would do it again. So chess fans should keep in practice for next year.

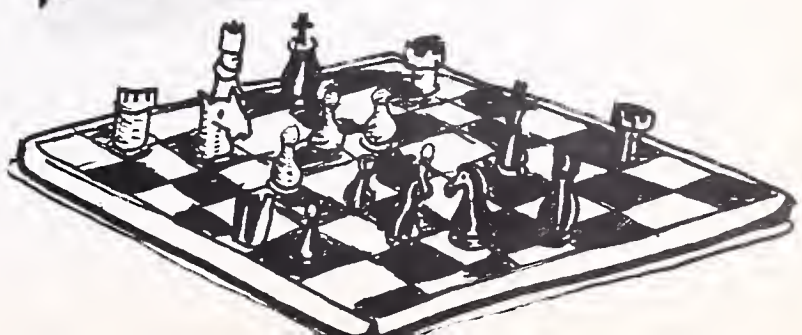
Mr. Hughes' real opinion of the Chess Club.



Doris Taper, former teacher at West Campus, is now program supervisor for the District's Tutorial Services Program. Her main duty is to provide tutorial services for first and second quartile(below grade level) students to enable them to master the basic skills of English and math. Ms. Taper also supervises U.C. and Ceta tutors assigned in the classroom. Within the Tutorial Services Program are the other two programs described on this page.

TUTORS

COMP. ED.

Ms. Yvonne Hall

The Federally funded Compensary Education Program at West Campus is headed by Yvonne Hall. The program includes 185 students and 6 adults. The goal of Compensary Education is to help students improve their reading and language skills so they can do better work in the conte t areas.

Ms. Hall has worked in all grade levels during her 12 years in the district. She has one daughter and is interested in reading, dancing, and music. She admits to being "a gormet cook and gormet eater." If she hadn't become a teacher, her next choice would have been to be an archeologist.

Language Arts Motivation Program

Diana Penney is coordinator of the Language Arts Motivation Program at West Campus. She hires consultants, guest artists, and tutors, arranges schedules, and tutors in four classes.

The federally funded program is made up of four parts. The first is the Tutorial Writing Program. Tutors, English majors from Cal, get three units credit for helping students with their writing skills. This year the tutors helped in both regular and skills English classes. The second is the Heritage videotape being produced by George Felker.

Also in the program are artists (a poet, and an actor) and career lecturers.

Mrs. Penney, who has been involved in writing programs at West Campus for three years, feels that the program does help students. Evaluations of West Campus writing samples done at U.C. support this feeling.

Mrs. Penney moved to Berkeley in 1968. Before working at West Campus, she taught English in Daly City for six years. The mother of a five year old boy, Mrs. Penney spends her spare time talking, reading, quilting, and sometimes camping or backpacking.

Mrs. Penney feels that coordinating has taught her a lot also, and she would like to come back next year.

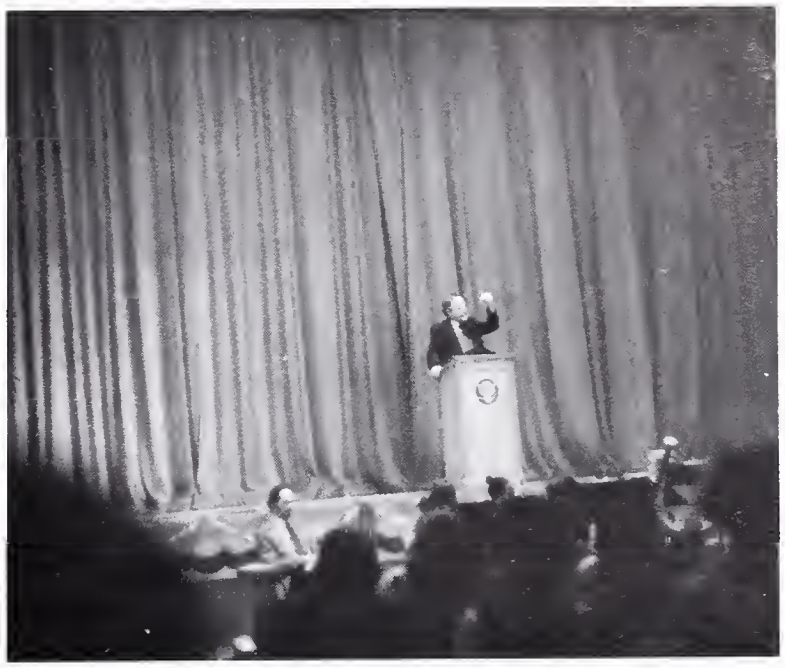
Teddy Roosevelt Assembly



On Friday November 3, 1978 former President Teddy(Bob Boyd)Roosevelt visited West Campus. Two assemblies were held while Mr. Roosevelt told the students the importance of good health. Relating some of his own childhood experiences, Mr. Roosevelt urged the students to have good diets, be atheletic, and enjoy life.

Mini-Disaster

This year, as well as last, the city of Berkeley put together a fake disaster, Mini Disaster, that would test the police, firemen, hospitals, etc. This year the West Campus drama students were chosen to act as the injured and dead victims of a bus accident. 25 students from advanced drama were picked to play the parts of the injured students on a wrecked school bus with every injury imaginable.

The morning of the event the students had gory make-up applied and were separately told how to act for whichever injury they were supposed to have. A school bus picked up the bloody West Campus students. The bus pulled over on Centenial Road, and a mutilated car, containing two bloody adults, was placed on the side of the hill beside the bus. This was the setting for the accident. The police, firemen, and ambulance were called to the scene. They had been warned prior to the event that it would happen, but they weren't told when or where.

As the firemen, paramedics, and police arrived, they handled the situation as if it were an actual accident. They used the regualr procedures. The badly injured students were taken in the ambulance to the hospital, and regular procedure was used there. Ther was even a temporary morgue set up at the scene of the accident. At the end of a very successful Mini Disaster the students were taken back to school to change and remove their make-up and then were let out for the day.

Hat Day

Hats of all different descriptions were seen around West Campus when we held our first Hat day on Nov. 2 1978.

AIDERS

STUDENT COUNCIL 78-79

Under the direction of Mr. Cuffee, the Student Council planned various activities for the students. They started the year with a student rally, at which they had a raffle for sev--eral records. After the election, the student coun-cil sold student body card and appointed a "Crazy Hat Day!" Before the winter recess the council had a raffle for a Christmas Tree. On Valentine's Day they had a talent show and dispensed carnations. They finished the year with a trip to Great America. The Presi--dent was Jackie Harrison with the Vice President Matt Borsch. The Ninth Grade Representatives were Antionette Standberry and Craig Walker. The Eighth Grade Representatives were Sarah Hughes and Kelley Withy. The Seventh Grade Representatives were Ramona Smith and Charles Patterson.

Valentines Day

This years Valentine's Day activites included the annual talent show and the school tradition of sending a carnation to a friend or loved one.
